

Online MasterClass (KnowHow Webinars)

Thermoplastic Vulcanizates (TPV) Technology

Speaker: Eric Jourdain (8 Modules, 6 Training Hours)(1-Day)

Schedule: Please check www.knowhow-webinars.com

PROGRAM AGENDA

09:00-09:33	Module 1	Understanding of TPE & TPV Families
09:33-09:45	Break Time	
09:45-10:20	Module 2	TPV Industry Overview
10:20-10:30	Break Time	
10:30-11:40	Module 3	TPV Structure & Properties
11:40-12:40	Break Time	
12:40-13:30	Module 4	TPV Processing
13:30-14:00	Break Time	
14:00-15:05	Module 5	TPV Applications in Automotive
15:05-15:30	Break Time	
15:30-15:50	Module 6	TPV Applications in Industrial & Consumer Products
15:50-16:00	Break Time	
16:00-16:30	Module 7	Troubleshooting of TPV Molding
16:30-16:45	Break Time	
16:45-17:30	Module 8	TPV Extrusion Principles & Troubleshooting

Q & A Session: All registered participants can submit questions after each module completion. The submitted questions will be reviewed and addressed at later date. If registered participants are not available to join this QA session, a recorded version of QA session will be available to view.

TechnoBiz Knowledge Test: All registered participants are invited to join a TechnoBiz Knowledge Test on “TPV Technology” at their convenient time during 3-10 days after scheduled training date. The test format length is 60 minutes. Participants will receive an online link for participation in this test

MasterClass Certificate: Participants who joins all modules, QA session and Knowledge Test will receive “MasterClass Certificate”

Registration Fee:

- Public Schedule (*Week Day: Mon-Fri*): Member: 450 US\$; Non-Member: 600 US\$; Group (5-Pax): 1,400 US\$
- Public Schedule (*Week End: Sat-Sun*): Member: 540 US\$; Non-Member: 720 US\$; Group (5-Pax): 1,680 US\$
- Custom Schedule (*Designed by Participant*): Member: 900 US\$; Non-Member: 1200 US\$; Group (5-Pax): 2,8000 US\$

Registration Form: <https://webinars.technobiz.org/event-form-20175/>

Remarks: Participants will receive a separate link for each module two days before schedule. The module presentation is pre-recorded. Participants are allowed to submit any questions on each module during the session and after completion. TechnoBiz reserves the right to make any changes in schedule due to unavoidable circumstances.
